

# Recombinant β2-Glycoprotein I, human, with his-tag

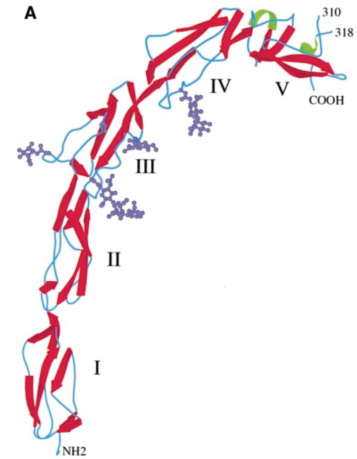

Life Science Incubator  
Yalelaan 62  
3584 CM Utrecht  
The Netherlands

Catalog G002  
Lot 1936

## Product description

β2-Glycoprotein I has been implicated in a variety of physiologic pathways including lipoprotein metabolism, coagulation, and the production of antiphospholipid autoantibodies. β2-Glycoprotein I may be a required cofactor for anionic phospholipid binding by the antiphospholipid autoantibodies found in sera of many patients with lupus and primary antiphospholipid syndrome, but it does not seem to be required for the reactivity of antiphospholipid autoantibodies associated with infections.

Reference sequences:	NM_000042 NP_000033 Swiss-prot P02749
Alternative names:	beta-2-glycoprotein 1 B2GPI APC inhibitor anticardiolipin cofactor activated protein C-binding protein apolipoprotein H apo-H
Gene ID:	350

Residues 20-345 of human β2-Glycoprotein I were cloned, the protein was over-expressed in HEK293EBNA1 cells and purified to homogeneity. The protein contains a N-terminal TEV-protease cleavable hexahistidine tag. The calculated molecular weight of recombinant human β2-Glycoprotein I, residues 20-345 including hexahistidine tag and TEV site, is 39.0 kDa. Each vial contains 100 μg β2-Glycoprotein I at 1.29 mg/ml.

## Storage and stability

β2-GPI should be stored at - 80 °C (stable for at least 1 year). The buffer contains 20 mM Tris 150 mM NaCl pH 7.5 without preservative. After thawing it should be stored in appropriate small aliquots at - 20 °C or - 80 °C (stable for at least 2 months).

## PRODUCT USE LIMITATIONS, WARRANTY, DISCLAIMER

U-Protein Express BV products contain chemicals which may be harmful if misused. Due care should be exercised with all U-Protein Express BV products to prevent direct human contact. All products are intended For Research Use Only and ARE NOT ALLOWED FOR USE IN HUMANS. Each U-Protein Express BV product is shipped with documentation stating specifications and other technical information. U-Protein Express BV products are warranted to meet or exceed the stated specifications. U-Protein Express BV's sole obligation and the customer's sole remedy is limited to replacement of products free of charge in the event products fail to perform as warranted. U-Protein Express BV makes no other warranty of any kind whatsoever, and SPECIFICALLY DISCLAIMS AND EXCLUDES ALL OTHER WARRANTIES OF ANY KIND OR NATURE WHATSOEVER, DIRECTLY OR INDIRECTLY, EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, AS TO THE SUITABILITY, PRODUCTIVITY, DURABILITY, FITNESS FOR A PARTICULAR PURPOSE OR USE, MERCHANTABILITY, CONDITION, OR ANY OTHER MATTER WITH RESPECT TO U-Protein Express BV PRODUCTS. In no event shall U-Protein Express BV be liable for claims for any other damages, whether direct, incidental, foreseeable, consequential, or special (including but not limited to loss of use, revenue or profit), whether based upon warranty, contract, tort (including negligence) or strict liability arising in connection with the sale or the failure of U-Protein Express BV products to perform in accordance with the stated specifications.
