

Recombinant TFPI-alpha-(his)C, human

Catalog UCT005

Lot 2800

0.1 mg/vial

Product description

This protein is a Kunitz-type serine protease inhibitor that regulates the tissue factor (TF)-dependent pathway of blood coagulation. The coagulation process initiates with the formation of a factor VIIa-TF complex, which proteolytically activates additional proteases (factors IX and X) and ultimately leads to the formation of a fibrin clot. TFPI-alpha inhibits the activated factor X and VIIa-TF proteases in an autoregulatory loop. Alternative splicing of the mRNA results codes for TFPI-1-beta, which is a shorter form of the protein and contains a PGI-anchor.

| Reference sequences: | NM_006287 NP_006278 Swiss-prot P10646 |
| Alternative names: | tissue factor pathway inhibitor isoform a precursor TFPI |
| Gene ID: | 7035 |

The mature protein of human TFPI-alpha, residues 29 - 304 was over-expressed in HEK293EBNA1 cells and purified to homogeneity. The protein has 2 potential N-linked glycosylation sites and 3 potential O-linked glycosylation sites. The protein contains a C-terminal hexahistidine tag. The calculated molecular weight without glycosylation of recombinant human TFPI-alpha, residues 29 - 304 including hexahistidine tag, is 33.3 kDa. Each vial contains 100 µg TFPI-alpha-(his)C at 1.73 mg/ml.

Storage and stability

TFPI-alpha-(his)C should be stored at - 80 °C (stable for at least 1 year). The buffer is PBS without preservative. After thawing it should be stored in appropriate small aliquots at - 20 °C or - 80 °C (stable for at least 2 months).

PRODUCT USE LIMITATIONS, WARRANTY, DISCLAIMER

ImmunoPrecise Antibodies Europe BV products contain chemicals which may be harmful if misused. Due care should be exercised with all ImmunoPrecise Antibodies Europe BV products to prevent direct human contact. All products are intended For Research Use Only and ARE NOT ALLOWED FOR USE IN HUMANS. Each ImmunoPrecise Antibodies Europe BV product is shipped with documentation stating specifications and other technical information. ImmunoPrecise Antibodies Europe BV products are warranted to meet or exceed the stated specifications. ImmunoPrecise Antibodies Europe BV's sole obligation and the customer's sole remedy is limited to replacement of products free of charge in the event products fail to perform as warranted. ImmunoPrecise Antibodies Europe BV makes no other warranty of any kind whatsoever, and SPECIFICALLY DISCLAIMS AND EXCLUDES ALL OTHER WARRANTIES OF ANY KIND OR NATURE WHATSOEVER, DIRECTLY OR INDIRECTLY, EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, AS TO THE SUITABILITY, PRODUCTIVITY, DURABILITY, FITNESS FOR A PARTICULAR PURPOSE OR USE, MERCHANTABILITY, CONDITION, OR ANY OTHER MATTER WITH RESPECT TO ImmunoPrecise Antibodies Europe BV PRODUCTS. In no event shall ImmunoPrecise Antibodies Europe BV be liable for claims for any other damages, whether direct, incidental, foreseeable, consequential, or special (including but not limited to loss of use, revenue or profit), whether based upon warranty, contract, tort (including negligence) or strict liability arising in connection with the sale or the failure of ImmunoPrecise Antibodies Europe BV products to perform in accordance with the stated specifications.
